Field View
Primary School

Spare Clothes

Sometimes our children will have toileting accidents at school or get a bit wet when they are playing in the water. We would appreciate it if the children could keep a bag on their peg with spare pants, trousers and socks so that if they are wet we can change them. You can leave this bag at school if you wish to.

Outdoor Play

We will go out to play in most weather and it is important that the children are appropriately dressed. In the wet weather please feel free to bring wellies to school and we will put them on when we go outside. The children will always need a waterproof coat in school and a hat and gloves in the cold weather.

Snack Time

The children will be given a snack and drink at school every day. This is always a piece of fruit or a vegetable and water or milk. We ask that the children do not bring any other snacks or drinks to school so all children in Nursery have the same.

Muddy Mondays – Forest Schools

We will be going into the woods every Monday! Could all children come to school in clothes that you don't mind getting dirty. Please wear wellies and bring a spare pair of shoes to change into.

Nursery Curriculum Leaflet Autumn

In this leaflet you will find out about what your child will be learning during this term and how you can help them at home.

It gives you information about what is going to be taught in all areas of the curriculum in school and suggests some ways in which you can get involved and help out at home.

We see this as a great opportunity for you to share in your child's education.

On the back page you will find further information regarding how Nursery works and things we will be very grateful if you can remember.

Thank you for your support!

2nd and 9th September Ourselves

During the first two weeks, we will be settling back into our routine after the holidays and beginning the new school year. We will be talking about ourselves and getting to know each other through lots of fun activities and circle games! Please share with us any activities you do outside of school with your child.

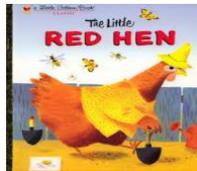

16th and 23rd September Families

In class we will be reading the story and using this to learn all about our families. We will also be using the story *Monkey Puzzle* to explore how everyone is special and we all can be individual in our own way. Maybe you could share the book with your child and become familiar with the animals.

30th and 7th October The Little Red Hen

We will be learning how food is grown and all about healthy eating. We will be working together to make bread and making our own sandwiches! We may even learn the names of new vegetables we have not seen before!

14th & 21st October Child Led Weeks

During these two weeks, we will be taking inspiration from the children and asking them what they would like to learn about. They will be able to tell you all about it nearer the time.

You could talk to your child and send in ideas about what they would like to learn about – all ideas will be gratefully received.

2nd to 16th December Christmas Stories

The fun starts! We will be making lots of craft activities, cards, calendars, decorations etc. We will learn the story of the Nativity and be reading lots and lots magical Christmas stories! Maybe if you have a favourite story at home you could bring it in and we will share it with the class?

14th and 11th November Room on the Broom

In class we will be creating potions just like the witch and conducting some experiments! We will be discovering Halloween and Bonfire Night. We will be using a lot of paint and may get very messy – but it only shows we are having fun and enjoying ourselves. So please dress in clothes you don't mind getting dirty!

18th and 25th November Going on a Bear Hunt

During these two weeks we will be reading the story and exploring in the woods. We will be learning words such as under, over and through. At home you could watch the video on Channel 4's website or go on your own bear hunt in the woods.
