

Home Learning Activities – Year Reception – W/C 08.06.2020

Below are a list of activities that children can complete over the course of the week. These are a mixture of videos to watch, games or activities to access online, as well as plenty of activities that require very few resources. The activities are designed for an adult to complete with your child as they require some guidance.

RWI have phonics lessons online everyday for children on Set 2 sounds. These change daily and only require pencil and paper. There are also some alternative lessons planned here.

	Monday	Tuesday	Wednesday	Thursday	Friday
Phonics	<p>Special Friends - qu</p> <p>Use the sheet to remind children of the special friends which make the sound qu. Practise forming the qu sound together.</p> <p>Special friends qu</p> <p>Practise reading and writing the green words.</p> <p>Green words - qu</p>	<p>Special Friends - nk</p> <p>Use the sheet to remind children of the special friends which make the sound nk. Practise forming the nk sound together.</p> <p>Special friends nk</p> <p>Practise reading and writing the green words.</p> <p>Green words - nk</p>	<p>Special Friends – ng</p> <p>Use the sheet to remind children of the special friends which make the sound ng. Practise forming the ng sound together.</p> <p>Special friends ng</p> <p>Practise reading and writing the green words.</p> <p>Green words - ng</p>	<p>Ditty sheet</p> <p>Revise sounds from previous two days using the green words sheets.</p> <p>Read the ditty sheet number 12.</p> <p>Ditty Sheets</p> <p>Practise writing the red words was and my.</p>	<p>Sun Hat Fun</p> <p>Read the free ebook Big, Bad, Bug from Oxford Owl. Parents will need to register with the site for free. Talk about the story you have read.</p> <p>Oxford Owl Free e-books</p>
Maths	<p>Numbers</p> <p>Use this 0 to 30 number line. Count to 20 and back again. Can you do it without using the number line. Play find the number with an adult. When you find the number count forwards from it using the number line or closing your eyes.</p> <p>Number line</p>	<p>Numbers</p> <p>Count to 20 and clap as you count. Count back from 10 to 0. Practise forming number 3. Draw it in the air and then try the sheet. As we write number 3 in Reception we sing 'swing it round and then once more.'</p> <p>Number 3</p>	<p>Addition</p> <p>Get 10 of the same objects to help you today, they could be Lego pieces, pasta, cars or any other object. Write some maths stories which make 10. For example</p> <p>$4 + 6 = 10$</p> <p>$7 + 3 = 10$</p>	<p>Length</p> <p>Draw around your foot and some of the feet of people in your family. Whose footprint is the longest and shortest? Can you put them in the correct order from the longest to the shortest. You could cut them out and decorate them</p>	<p>Shape</p> <p>Remember in Reception we have learnt the shapes triangle, circle, square and rectangle. Have a look around can you find 3 of each shape in your house. Can you draw each shape and talk about how many sides and corners they have.</p>
Wider Curriculum	<p>Butterflies</p> <p>Listen to the story about the Blue Butterfly from C-Beebies. Talk about the butterflies in the story.</p> <p>The Blue Butterfly</p> <p>Talk about the story. Make your own butterfly from the story or design your own. You could use pencils, paint, tissue paper or even natural resources you can find outside such as leaves and sticks.</p>	<p>Floating or Sinking</p> <p>Can you find 10 different things outside and test if they float or sink in a bowl of water?</p> <p>Don't forget you must always work with an adult if playing with water.</p>	<p>Leaves</p> <p>Collect some leaves from your garden or on a walk. Look at the different colours, patterns, shapes and sizes. Make a picture using the leaves or use crayons to make a leaf rubbing. The video below will show you how to do it.</p> <p>Leaf Rubbings</p>	<p>Caterpillars</p> <p>Watch the story about the caterpillar and his shoes.</p> <p>Caterpillars Shoes</p> <p>Make your own picture of a caterpillar. You could draw, paint, collage or make a playdough caterpillar.</p>	<p>In the garden</p> <p>This week we have been thinking about all the different things in the garden. Can you make a simple representation of your favourite thing from the garden? If you're feeling super clever you could even write a sentence or word about it!</p> <p>You could also explore Mr Blooms garden from CBeebies.</p> <p>Mr Bloom</p>
Well Being	<p>Cosmic Yoga</p> <p>Stay fit and healthy with 'The Hungry Caterpillar' Cosmic Yoga.</p> <p>Hungry Caterpillar</p>	<p>Go Noodle</p> <p>See if you can join in with some dancing. Try the 'Triangle Dance.'</p> <p>Triangle Dance</p>	<p>Walking</p> <p>If you go out for a walk, talk to a grown up or sibling about the different gardens you can see.</p>	<p>Number Blocks</p> <p>Can you watch the first 2 episodes of Numberblocks.</p> <p>Numberblocks</p>	<p>Helping at home</p> <p>Have a look and tidy in your bedroom. See if you can find some toys you haven't played with in a while and give them some attention.</p>
