

Home Learning Activities – Year 4 – W/C 01.06.2020

Below are a list of activities that children can complete over the course of the week. These are a mixture of videos to watch, games or activities to access online, as well as plenty of activities that require very few resources. Wider Curriculum activities will cover different aspects of Science, History, Geography, Music and Art whereas the Wellbeing activities will cover different aspects of PSHE and PE.

	Monday	Tuesday	Wednesday	Thursday	Friday
Reading		<p>The Worst Witch Watch the extracts being read and answer the “learn” questions as you do this. BBC Bitesize</p>	<p>The Worst Witch Now try Activity 1. Can you work out the meaning of unfamiliar words? BBC Bitesize</p>	<p>The Worst Witch Now try Activity 2. Consider what you know about the characters. BBC Bitesize</p>	<p>The Worst Witch Now try Activity 3. Make predictions about what might happen next. BBC Bitesize</p>
Writing		<p>Spelling – List 1 Homophones Use the linked PDF to learn the list of ten homophones. There are activities you can work through to help you remember your spellings. List 1 Homophones</p>	<p>Inverted Commas Watch the video below and try Activity 1 and 2 about when and where to use inverted commas. BBC Bitesize</p>	<p>Inverted Commas Now is your turn to be the teacher! Look at the sentences and try to find the mistake. Can you correct it? Correcting Speech Sentences</p>	<p>Spelling – List 1 Homophones Use Spelling Shed to test how well you remember your homophone spellings. Spelling Shed</p>
Maths		<p>Addition Recap vertical addition and work your way through the challenges! Addition Link</p>	<p>Subtraction Remind yourself how to subtract three digit numbers from four digit numbers. Have a go at the questions too! Subtraction link</p>	<p>Mixed Addition and Subtraction Now you can use addition and subtraction, see if you can answer these mixed questions.
