

Home Learning Activities – Year 4 – W/C 15.06.2020

Below are a list of activities that children can complete over the course of the week. These are a mixture of videos to watch, games or activities to access online, as well as plenty of activities that require very few resources. Wider Curriculum activities will cover different aspects of Science, History, Geography, Music and Art whereas the Wellbeing activities will cover different aspects of PSHE and PE.
