

Home Learning Activities – Year 4 – W/C 22.06.2020

Below are a list of activities that children can complete over the course of the week. These are a mixture of videos to watch, games or activities to access online, as well as plenty of activities that require very few resources. Wider Curriculum activities will cover different aspects of Science, History, Geography, Music and Art whereas the Wellbeing activities will cover different aspects of PSHE and PE.

	Monday	Tuesday	Wednesday	Thursday	Friday
Reading	<p>Partly Cloudy Watch this Pixar short. What is the story about? Can you spot any themes? Video</p>	<p>Pathetic Fallacy <i>This is where weather helps describe the feeling or mood of a character or scene. Can you find any examples of this in Partly Cloudy?</i> Video</p>	<p>The Cloudspotter Watch a reading of this story by Tom McLaughlin. How is it similar to Partly Cloudy? Video</p>	<p>Comprehension Re-watch Partly Cloudy and answer these questions below. Comprehension Questions</p>	<p>Cloud Poetry <i>Explore the range of poetry about clouds. Do you have a favourite? Why do you like it?</i> Discover Poetry</p>
Writing	<p>Speech Marks Recap how we use speech marks by watching the video below. Video</p>	<p>Using Speech Marks Can you turn these sentences into direct speech? What might you need to add? Worksheet</p>	<p>Writing Dialogue <i>There is no speaking in Partly Cloudy. Can you use your understanding of speech marks to write some dialogue that we could add into the film? See the sheet below for guidance.</i> Dialogue Task</p>	<p>Said Synonyms Reread your work from yesterday and count how many times you have written the word "said". Can you think of any better word choices? Change these in your dialogue? Link</p>	<p>Spelling – List 4 Practice this week's spellings linked below. Spelling</p>
Maths	<p>Defenders of Mathematica Choose a character, then add, subtract, divide and multiply your way to victory in this fun maths game. Game</p>	<p>Rounding to the nearest 10, 100 and 1000 Watch the video below and try the activities. BBC Bitesize</p>	<p>Rounding Game Choose your level of difficulty and keep practicing until you get 10 right in a row. Top Marks</p>	<p>Rounding Worksheet Use your knowledge of rounding to complete this worksheet. Questions Answers</p>	<p>Round Decimal Numbers Now you can round to the nearest 10, 100 and 1000, can you use this logic to round decimal numbers to the nearest whole number? BBC Bitesize</p>
